Comet Sighted.

On Sept. 12 a German astronomer caught the first view of Halley's comet, the celestial wanderer which was last seen in 1835. For 74 years it has been traveling in illimitable space, each moment the sun's attraction calling for its return. It can now be discerned only as a small bit of nebulae, caught only on the astronomer's photographic plate and not discernable by the most powerful telescopes. It will grow stronger mouth by month but will not be visible to the naked eye for some time. Next April it will appear in all its glory in the Western skies.

Then Dr. King's New Discovery brought quick relief and a cure so permanent that I have not been so permanent that I have not been troubled in twevle years." Mrs. Soper lives in Big Pond, Pa. It works wonders in Cough; and Colds, Sore Lungs, Hemorrhag s, LaGrippe, Asthma, Croup, Whooping Cough and all Bronchial affections. 50c and \$1.00. Will Sue Instead of Talking.

Instead of giving an opinion or doing any takling, Judge James Breathitt, Attorney General, will file suit to prevent the Louisville and Nashville railroad from acquiring the Louisville and Atlantic railroad should he decide that the purchase of the Louisville and Atlantic is illegal. Judge Breathitt has not made up his mind on the subject. When the Louisville and Nashville bought the Louisville and Atlantic Richmond citizens protested that the sale was illegal and Gov. Wilson referred the question to Judge Breathitt.

Kills Would-Be Slayer.

A merciless murderer is Appendicitis with many victims. But Dr. King's New Life Pills kill it by prevention. They gently stimulate stomach, liver and bowels, preventing that clogging that invites appendicitis, curing Constipation, Biliousness, Chills, Malaria, Headache and Indigestion. 25 at Ober-

True and Patient Work.

An idea arrives without effort; a form can only be wrought out by patient labor. If your story is worth telling, you ought to love it enough to work over it until it is true-true not only to the ideal, but true also to the real.-Henry van Dyke.
